

Packaging – Who Makes What?

Packaging is a comprehensive and clearly structured source of reference that answers the question: who makes what in the world of packaging? Additional information is also given on the type of goods* for which the products and equipment are made.

Packaging is available online as well: www.vr-packaging.de with direct links to suppliers.

Packaging is separated into following categories and published in VR Verpackungs-Rundschau:

- Suppliers to packaging printers
- Contract packaging and production
- End-of-line packaging, material flow and logistics
- Packaging machines
- Packaging materials / Packs
- Labelling / Coding / RFID
- Quality assurance and Services
