

## 10 Special types of advertising – Entries for Packaging

### Packaging – who makes what in the packaging industry:

the compact and informative market survey compiled by VR VerpackungsRundschau.

A free-of-charge basic entry (address and products only) will appear only in the online, but not in the printed version. The paid entry will be published in the printed version, and run for a year in the online version.

### Topics and deadlines for the questionnaires:
